and what have you

by BOB CRAIG

It looks from here like the Democratic Primary election Saturday will be as big of a mixup as the last special Senate race. I have never seen one that was so hard to pick who would be in the run-off.

No one seems to be for any one of the six candidates in the race, only against certain ones. Probably the dark horse in the race is Marshall Formby of Plainview since so many voters seem to be going to the polls Saturday to scratch a particular candidate or candidates.

The big question in the race will be how many people who normally vote conservatively in the democratic primary will vote in the republican primary this year. This could do for the liberal democrats what the special senate race did for the republicans.

My uneducated guess in the governor's race is that Connally and Yarborough will be in the run-off.

Closer to home—in the state senate race David Ratliff and Truett Latimer will probably meet each other again in the run-off with Ratliff the top man of the three.

The representative race between Carl Wheatley, Roy Arledge and Foy Easley should be real close one. Wheatley will probably lead the ticket because of the Liberal vote and Arledge and Easley fighting for the run-off spot opposite him.

I hope that the Scout Exposition Saturday afternoon will have a real turnout of people to see what the cubs and the scouts are doing. The boys and their mothers have worked real hard on this show and it would be a shame if the public doesn't show enough interest to come see it.

I understand that the Indian dancers from Abilene put on a real fine show and this alone is worth the price of admission.

Next week is National Hospital Week according to Doug Justice, business manager of the Hamlin Memorial Hospital. Since no open house or anything of that nature has been planned for the week there isn't much the average person can do to show their appreciation for the fine hospital that Hamlin is blessed with.

But it would be well if everyone of us took a little of our time to think about how lucky we are to have a hospital here. There are hundreds of towns across the country that are without a hospital and doing everything they know how to secure one.

As busy as the hospital stays most of the time I would guess that the best gift they could have this next week would be a little more patience and an extra smile and a special thank you from everyone.

I have been reprimanded for not running a picture of my sister, Celeste, who has just received recognition as the first Stamfordite to receive a Singer Company Merit Scholarship in nationwide competition.

The Singer Merit selection was made through the National Merit Scholarship Corporation test program. She was one of 1,050 students to receive scholarships out of the 10,000 finalists.

Maybe this will get me out of the doghouse.

Pony League Meeting Tonight

All parents who are interested in organizing a Pony League in Hamlin again this year are asked to attend an organization meeting at the High School Cafeteria Thursday night at 7:30, according to George Campbell.

The Pony League baseball program is for boys between 13 and 14 years old. Fathers are especially invited to the meeting.

HAMLIN BANDS TO PRESENT—

Third 'Parade of Music' Friday

The third annual "Parade of Music" will be presented by all of the bands of the Hamlin Schools at 7:30 p.m. Friday in the high school auditorium. The full evening of musical entertainment will revue five different musical organizations and will be the culmination of the year's work for all 180 students who will participate.

The bands will be under the direction of Tim Jones. The panorama of bands will enable all who attend to see and hear the progress which is made all the way from first year beginners to polished high school seniors.

Some 60 medal winners of

this year's solo and ensemble competition will be recognized along with special practice award winners. Also the John Philip Sousa Award will be made to the outstanding senior musician who has been selected by the entire band on

the basis of musicianship, citizenship, leadership and individual devotion and accomplishment for a four year period.

The following trophies will also be presented. The junior high band, Cisco sweepstakes and U. I. L. concert trophies;

high school band, three sweepstakes trophies won at the Sweetwater Festival and two I Division trophies for U. I. L. marching and sight reading; stage band, First place West Texas State College Stage Band Festival and outstanding band award.

The program will get underway with the fifth grade band to be followed by the sixth grade band, junior high band, high school band and climaxed with a short program of selected numbers by the Piper stage band.

Jones said this week that everyone is urged to attend this end of the year activity and see the fine group of boys and girls who participate in the Hamlin instrumental music program. He said it is guaranteed that each one will find a portion of the evening to be their musical taste and cultural enjoyment.

Tickets are being sold by all band students and are 50c for adults and 25c for students. Pre-school children are admitted free when accompanied by their parents.

A reception will be held in the band hall following the concert for all those who attend the concert.

P-TA to Hold Final Meeting This Afternoon

The final meeting of the Parent-Teachers Association 1961-62 year will be held in the primary cafeteria today at 4:00 p.m. with the third grades presenting the entertainment.

Newly elected officers will be installed by the retiring president, Mrs. Bill Shira.

Rev. Lenard Hartley, pastor of the First Baptist Church will give the invocation-meditation. Mrs. David Casey will present the thought for the month. The president's report will be followed by the installation. A social hour will climax the program.

Work Ordered

AUSTIN—The Texas Highway Commission today authorized reconstruction of the P. and S. F. Railroad Grade crossing on U. S. Highway 83 in Hamlin (Jones County) at an estimated cost of \$8,100.

HAMLIN MERCHANTS TO HOLD AUCTION DOLLAR DAYS HERE

Bob Craig, chairman of the Trade Development Committee of the BCD announced today, the group is planning a unique sales promotion for the month of May.

The promotion is called "AUCTION DOLLAR DAY" and has been received with much enthusiasm in communities in the Middle West.

It is a program, in which all people of this area can participate, without cost. "Auction Dollars" will be issued May 10, 11, 12 and 17, 18, prior to the big "Auction Day May 19. There will be a big free

show, starring outstanding entertainment and music in the Country Western style.

Merchandise will be offered for Auction following the last performance of the day and will be paid for with the Auction Dollars that the merchants will be giving with each purchase.

Craig adds that he is pleased that Hamlin is one of the several towns in this area to offer this program. It is the merchants way to say "Thank You," for your trade and patronage.

Keep reading future issues of the Herald for details.

3 Voting Boxes Open Here Sat.

Hamlin voters will go to the polls Saturday to vote in either the Democratic or Republican Primaries. District and State races will have to get the voters out to the polls since there is no contested race in Jones County except in precincts two and four.

Voters in the Democratic Primary will vote in the West Box at the High School and the East Box at the City Hall.

Polls will open at 8 a.m. and close at 6 p.m.

Because of the Republican vote in the last Governor's race the party will hold primary voting this year. Their polls will be in the Fire Station in Hamlin, City Hall in Stamford and the Littlefield Building in Anson. Anyone desiring to vote in the Republican primary may vote in any one of the boxes.

A three man race in both the State Representative and

State Senate races is expected to bring out the bulk of the voters. Carl Wheatley, Roy Arledge and Foy Easley are seeking the 83rd legislative seat now held by Wheatley.

Seeking the senate seat now held by David Ratliff are Ratliff, Truett Latimer and Dallas Perkins.

A host of candidates are seeking the top three state-wide posts with six democrats and two republicans running for governor.

Scout Show to Feature Indian Dancers Saturday

Tickets are still on sale to the Hamlin Scout Exposition which will be held here Saturday, May 5, from 2 to 5 p.m. in the building just south of Frank's Department Store. Den Mothers, Scouts and Cubs have started decorating their booths for the occasion, according to Guy Weaver, local chairman for the event.

This will be the first time that the exposition has been held locally in each of the towns in the district rather in one central location within the district.

A special highlight of the afternoon will be the awarding of the Eagle Badge to Pat Bachelor, son of Mr. and Mrs. George Batchelor, following a program to be presented by an Indian Dance team composed of boy scouts of Troop 8, Abilene at 2:45.

The presentation will be made by Troy Boone, district scout executive for the Chisholm Trail Council.

Pat is a member of Troop 43, sponsored by the Hamlin

Lions Club. He has earned a total of 21 merit badges since becoming a scout. He is a member of the Order of the Arrow, a national Honor Camping Society.

Boys who sell tickets will earn prizes from a patch for five tickets to a transistor radio for 125 tickets or a bicycle for 150 tickets. These boys can earn scout equipment during the sale and residents are urged to buy tickets even though they may be unable to attend the exposition.

The Dens are making their displays and each den has chosen a theme for their booth. Den 1, will display bird houses; Den 3, handicrafts; Den 4, puppets; Den 5, Cub science; Den 6, handicrafts; Den 7, scrap books; Den 9, boats, and Den 10, Cubbing at Home.

The Boy Scouts have chosen the following themes: Beaver Patrol, tenderfoot, knots; Eagle Patrol, first aid; Hawk Patrol, flags; Rattlesnake Patrol, Knives and axes and the Wolf Patrol, conservation.

Local Scout units will receive a commission check based on their ticket sales and all units are participating in the show to let the American people better understand the Scouting program.

Tickets are 50c each and children below high school age will be admitted free when accompanied by their parents.

Bo-Bo Hazlewood Enters Dallas Hospital for Tests

James Myron Hazlewood Jr. of Abilene, Bo-Bo to those who know him best, has gone with his mother, Rebecca Hazlewood, to Dallas to the Children's Hospital for tests and further treatment for a strange malady that so far has baffled those who have tried so hard to care for him.

Bo-Bo, who is only three and a half years old has been hospitalized at Hendrick Memorial Hospital for the past three weeks only to find numerous tests to reveal what he does not have. The mother said the doctors told her they had never seen a case like it. His chest and eyes are swollen painfully, he has lost weight constantly for the past three weeks and he will not eat.

He left Wednesday morning to go to Dallas. Bo-Bo's serious illness follows closely another family problem. His grandmother, Mrs. Jimmie Harvison of McCaulley, recently had major surgery and Mrs. Hazlewood took off from her job as a waitress to care for her mother, her 10 year old sister and her own children, Bo-Bo and seventh-month old Sherry Regina.

Co-workers of the grandfather, Jimmie Harvison, at the Celotex plant have helped to pay \$100 on the boy's hospital bill but still the expenses mount.

Others who wish to make contributions may do so by mailing them to Bo-Bo Hazlewood, in care of the Bank of Commerce in Abilene.

FIRST METHODIST PLANS SACRED CONCERT WEDNESDAY

Wesley Boyd, well known evangelist singer will be presented in a sacred concert here Wednesday at the First Methodist Church at 7:30 p.m.

A soloist and song-leader for the Rev. Joe Blinco, associate evangelist of Billy Graham, Boyd was the song leader for the Rev. Edmund W. Robb, pastor of the First Methodist Church in a revival in the First Methodist Church in Tulsa in January.

Boyd comes from Belfast, Northern Ireland, and has resided in this country since the summer of 1959. He now lives in Oklahoma City, Okla.

In his native Ireland, Mr. Boyd has won outstanding distinction at the Belfast and Dublin Music Festivals where in 1955 he carried off the premier awards at both Festivals including the famous John McCormack Cup, and wherever

he goes, he is called upon to sing many of his native Irish songs.

In May 1961 Wesley was united in marriage to his wife, Margaret, who is a Professional Accompanist, having graduated from the Royal Academy of Music in London, England.

Mr. and Mrs. Boyd have just returned from Australia where they accompanied the Rev. Joe Blinco in the Billy Graham Follow-up Crusades. Together they make an outstanding contribution to Evangelistic music.

The expert contends that when an advertisement is effective it should be repeated

Retailers in small cities who do not get good results from their advertising are usually making one or more of five faulty assumptions about advertising, according to a nationally noted advertising consultant:

He lists these errors in thinking as:

1. That pictures may substitute for words.
2. That white space is wasted.
3. That you should keep the prospect guessing.
4. That every advertisement has to be new.
5. That advertising must shout to be effective.

The advertising man says that no picture can give the necessary information which every consumer is looking for—i.e. price, colors, sizes, details on contents. In regard to white space, it should be used as a frame and as a device to emphasize important copy in an ad. "It is not waste space; it may be the most effective part of the layout."

The person who is studying advertising is not playing games. He is seeking information. Advertising can not be too complete. In this respect, want ads are often better advertisements than large displays," he said.

NEINDA PHILOSOPHER CAN'T FIGURE OUT ADVANTAGES OF NEW PLAN TO FINANCE THE CANDIDATES

Editor's note: The Neinda
Philosopher on his Johnson
Grass farm on route one tries
to throw some light on a com-
plicated problem, his letter this
week reveals.

Dear editor:
According to an article I
read last night, the farmers
aren't the only people suffer-
ing from the high costs of op-
erating. High costs have now
hit politics.

As I understand it, the cost
of running for office has got-
ten so high that there is a
move on for financial relief to
candidates. It just costs too
much to wage a national cam-
paign, not to mention a state
or even local one.

I can see the country can't
afford to have a lot of public
offices un-filled because it
costs too much to run for them,
although I for one have been
unable to detect any shortages

along this line. As far as I can
determine, every public office
we've got is filled and there's
always a good many defeated
candidates left over and will-
ing to try again next time.

At any rate, a commission in
Washington has been studying
this situation and has come
up with the suggestion that
more people ought to contri-
bute to campaigns, to ease the
burden on the candidates, and
the commission has suggested
that people be allowed to de-
duct a part of their campaign
contributions from their in-
come tax.

For instance, it suggested, if
you contributed \$25 to a cam-
paign, you could take \$10 off
your income tax.

Now I have thought this
matter over and, while I have
a great deal of sympathy for
candidates and believe it'd be
an unwholesome situation if
we ever got to the point where

only a wealthy man could af-
ford to run for office, still,
looking at it from the voter's
standpoint, we've got high
costs staring us in the face
too and spending \$25 on a can-
didate in order to save \$10 on
your income tax, ain't exactly
the way to balance your per-
sonal budget. The way I fig-
ure it, you're still out \$15,
and maybe even more, if the
candidate gets elected and
raises your government ex-
penses by \$10.

As I see it, the situation is
involved. The candidates are
asking the public for financial
relief in running, and then af-
ter they get elected the public
needs financial relief from
what happens after they get
there.

This makes the farm problem
look simple.

Yours faithfully,
J. A.

JANICE RICHARDSON AND C. D. DAVIS WED IN NEW MEXICO

Janice Allene Richardson and Cecil Daniel Davis exchanged wedding vows Saturday morning at 11 o'clock in the Sacred Heart Catholic Church, Clovis, New Mexico.

The bride is the daughter of Mr. and Mrs. Cecil Richardson. Mr. and Mrs. Cecil G. Davis of Clovis are parents of the bridegroom.

Officiating for the double ring ceremony was the Rev. Bernard Gerbus, pastor. Shirley Ann Ryan of Abilene, organist, aunt of the bride, presented the wedding music.

Mr. Richardson gave his daughter in marriage.

Her gown of white chantilly lace and silk organza was designed with pearl-studded lace bodice with sabrina neckline and long sleeves which extended to points over her hands. Matching strips of lace enhanced the extremely wide skirt.

A pearl headdress held her fingertip veil of silk organza. She wore a single strand of tiny pearls and carried three purple orchids surrounded by stephanotis on a white lace-covered Bible, a gift of the bridegroom.

Mary Charlotte Jones, of Abilene, cousin of the bride, was maid of honor, and Nancy Jo Turnbow of Rule was bridesmaid.

Miss Jones' sheath dress of lilac raw silk with purple silk organza overskirt was fashioned with low rounded neckline and three-quarter length sleeves which closed with tiny bows. Miss Turnbow's dress, designed like the maid of honor's, was of lilac floral silk with purple

silk organza overskirt.

Both wore dyed-to-match shoes, lilac gloves and head-dresses of white and purple flowers on purple velvet ribbon with purple silk organza veils. The maid of honor carried a bouquet of white rosebuds and the bridesmaid carried a single long-stemmed white rose.

Flower girls were Tobbie Ann Frazier of Farmington, N. M., and Kathryn Anne Money of Midland, cousins of the bride, and Mary Cecilia Davis of Clovis, sister of the bridegroom. Their dresses were of purple silk organza and their headresses were fashioned of purple and white flowers with a veil of purple silk organza. They carried baskets covered with purple velvet ribbon and dropped purple iris along the aisle.

Roger Paul Elliott of Clovis was best man and Joseph David Davis, also of Clovis, was groomsmen. Ushering were Joseph David Davis and William Paul Davis of Amarillo, brothers of the bridegroom.

David Marshall Money of Hamlin, cousin of the bride, was ringbearer.

Candlelighters were John Francis Davis, brother of the bridegroom, and John Caplan, both of Clovis.

Mrs. C. R. Franz registered guests at the reception held in the church Fellowship Hall. Serving were Mmes. William Paul Davis, J. R. Odum and T. D. Fulgram.

The bride's table was covered with a floor length overskirt of white net over orchid with purple ribbon trim. The table was centered with an arrangement of deep purple iris. The three tiered cake was decorated in white with purple flowers.

For a wedding trip to Ruidoso, N. M., the bride chose a purple sheath dress of polished cotton with round neckline, el-

Others who attended from Hamlin were Mmes. Leona Teichelman, Effie Miller, Adele Dixon and Hazel Higdon.

The program was presented by Dr. J. C. Duff of Anson. He conducted a question and answer period after the showing

FAIRVIEW NEWS--

By MRS. ELMER JOINER

An inch of rain fell last week, which was appreciated very much, since it is getting time to plant and we can't forget that some times we didn't get any rain. Quite a lot of cotton has been planted and as soon as the weather settles again there will be a lot more, the farmers are trying to get ahead of boll weevils that infested our late cotton last year.

Another nice crowd attended church Sunday, we are all so thankful to see our little church picking up in attendance, since so many rural churches are fighting a losing battle to the larger churches. If you aren't attending church any where, the Fairview Baptist Church will give you a warm welcome.

Family Night was held last Wednesday night at the Oil Mill Guest House in Hamlin with 33 attending. A devotional period was held, with Mrs. H. L. Ford bringing the devotion, followed by a few games and refreshments.

A group of men went from our church to the Swenson Baptist Church last Friday night, as guests of the Swenson Brotherhood. A supper of chicken was enjoyed by all, and according to the report Sunday they were all uneasy about one of the Fairview men. Seriously, they did enjoy it and those attending were: Woodrow Goodwin, Jack Wright, Flavil Holmes, Winslow Gray and the pastor, Derrell Lewis.

Going with the men, Mrs. Winslow Gray, Mrs. Woodrow Goodwin and Linda, visited with Mrs. Doyle Combs and children while the men had their service. And we understand that they also got in on the eats, as quite a lot was left.

We failed to report last week that Mr. and Mrs. Winslow Gray went to Houston last week end to spend Easter with their daughter, Mr. and Mrs. Doyal Bills and little daughter, Jana.

Mr. and Mrs. Flavil Holmes

visited with Mr. and Mrs. Fred Rosenbaum last Saturday night.

Mr. and Mrs. John Beauchamp and Debra, were guests of Mr. and Mrs. E. A. Henry last Friday night.

Mr. and Mrs. H. L. Ford, Nancy, Spencer and Diane, all had dinner with the James Brandons Sunday.

Mr. and Mrs. Joe Ford were absent Sunday, having gone to Hill county, to attend the homecoming of the church they attended while they were children. This church is situated near Whitney and was known as the Coon Creek Church.

We are sorry to report that Mrs. C. C. Renfro is in the Hamlin Hospital in a very serious condition.

Mrs. W. L. Fletcher is also still in the hospital, with no improvement.

Mr. and Mrs. Woodrow Goodwin and Linda, visited with his brother, Mr. and Mrs. Bryan Goodwin, of Hanna, last Saturday afternoon. Mr. Goodwin at this time is doing real well, win broke his leg again but

The Woodrow Goodwins had also visited with Mrs. Kate Goodwin, in the Stamford Hospital, who is in a serious condition.

Rev. and Mrs. Lewis and children took dinner with Mr. and Mrs. Fred Rosenbaum on Sunday.

Mr. and Mrs. Jack Hargatry of Hamlin, were visitors in church Sunday morning. Mr. Hargatry and the pastor grew up as neighbors in the McCaulley community.

Mr. and Mrs. John Beauchamp have purchased a farm, off the tract of land known as the Phillips Farms.

This land was all put up for sale recently and the owners were gracious enough to sell to the men on the place, or other farmers, at a reasonable price, instead of to the highest bidder with the most money.

HD COUNCIL MAKES FINAL PLANS FOR COUNTY WIDE TEA

Nineteen members, four visitors and eleven clubs represented the twelve Home Demonstration Clubs, when council met for the monthly session in Anson, April 18. Mrs. H. H. Windham presided.

Among the committee reports, Mrs. Maxey Harvey, the year book chairman, asked that the yearbook suggestions be turned in to her, to be used in planning the books for another year. Mrs. Charlie Myatt in the absence of Mrs. H. A. Haynes, reported on the exhibits concerning the West Texas Fair. Mrs. L. R. Faulkenberry, marketing chairman, reported that one and a half pint plastic freezer containers are available, as well as the usual pint and quart sizes.

Mrs. Mary Newberry announced the annual 4-H club weiner roast to be held in Anson at the park April 26. Mrs. Charles Noles, Health and Safety chairman, commended all clubs for their interest in polio, heart and diabetes. She stressed the urgency of having a first aid kit in your car and also to know your blood type.

Mrs. Noel Weaver, THDA chairman, reminded all clubs that they must bring their nominee to the State Convention to the May Council meeting, as they will be elected on that date.

Mrs. Windham gave a report of the district meeting, held recently in Wichita Falls.

She made the final plans for the county wide tea to be held in Anson, May 3, at the memorial building, to celebrate National Home Demonstration week. Mrs. Odell, Avoca club, will show her pictures she made last year on her tour abroad. Each club was assigned a task to make the tea a success. Friendly circle will decorate and fix the table, Goodman and Noodle will move the tables and arrange chairs, Willow Creek will register. The punch will be made and served by Good Neighbor, with Friendship and Comper keeping

cookies set out and dishes washed. Sunshine will get the punch bowl and take it back, Bluebonnet and Avoca will put chairs back in place after the tea is over. The Pleasant Valley and Stith clubs will take the chairs back and forth from the agents office.

FULLY PREPARED

Should a spring shower come... she is prepared with a rain coat. Books and study at school prepare her for a future vocation. However, she is not FULLY PREPARED for life unless she is also trained to walk with the Lord.

Take your children to church where they can grow to be

"... a vessel unto honour, sanctified... and prepared unto every good work."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

SPRINGFIELD, May 20 (AP) — Seven migrant cotton pickers, all members of the same family, were killed today when the truck in which they were riding collided with the Southern Railway No. 12, known to railroadmen as the Shalimar. The steamlo-

Letters to Editor

TO THE EDITOR:

This letter is written in interest of good government for all of us. I am a small town merchant and small county and I know the problems of other small businessmen all over Texas. Most all of us depend on farmers and rancher trade to keep our doors open and do most our business work. Since we have no industries in small towns and payrolls and most small counties have been getting smaller in population and most our merchandise comes from other states where they have industries and in addition to our work we have another job—to collect that one sided, crazy sales tax on poverty. There is valid reasons not to levy taxes on natural gas produced in Texas and most of it used by other states at tax free. Instead of taxing us at home with this sales tax on top of what we now are paying on homes and farmland. A lot per 1000 cubic feet of gas will balance the budget and pay the older citizens a decent and higher pension and more money for the teachers. Yarbrough is the only candidate in the race opposed to higher sales tax on necessity of life and he favors a tax on pipe line of natural gas.

And I do believe that we need a new face in the governor's office. Don Yarbrough

OLD GLORY NEWS...

By SHARON LEVERETT

SCHOOL:

The Old Glory School had their annual Fun Festival Friday night. The classes all worked on projects to make money to go toward having a nicer senior trip. The projects of each class were:

Seniors, bingo; juniors, cake walk; sophomores, grab box and homemade ice cream; freshmen, goal shooting and food; eighth grade, spinning wheel; seventh grade, country store; sixth grade, bean jar; fifth grade, bean jar; fourth grade, candy and handy crafts; third grade, candy and handy crafts; second grade, fish pond; first grade, fish pond.

The seniors would like to thank the merchants of Hamlin, Stamford, and Haskell and Sagerton for the donations or contributions they received for the bingo.

The juniors would like to thank the mothers and women of Old Glory for contributing cakes to be won at the cake walk.

The sophomores would like to thank the merchants of Aspermont for the donations and contributions they received for grab box.

The eighth graders would like to thank the merchants of Rule for the donations they received for the spinning wheel.

Peggy Pringle, Mary Boles, and Sharon Leverett played in the invitational tournament in Fort Worth at the Shady Oaks country club. Approximately 300 were entered in the tournament. Peggy won her first match but lost her second one to Virginia Davis who was seeded second in the tournament. Mary and Sharon won their first match but lost their second match to the doubles

team who also seeded second. They entered the tournament to get some experience before going to state and playing for the school. Mr. V. R. Leverett, the tennis coach, accompanied the girls.

The seniors went to Abilene last week to have their senior pictures made at the Cole Studio.

The high school voted to go to Cisco lake for their annual picnic which is scheduled for Friday, May 11.

4-H:

The Stonewall County 4-H eliminations were held in the Old Glory Cafeteria April 30. The winners will go to Whittier Falls on May 5. From Old Glory in the different events are:

Poultry demonstration, Billy Vahlenkamp and Nancy Vahlenkamp; Tractor driving, Jerry Hahn; Vegetable preparation, Donna Pierce and Carolyn Sander; Public Speaking, Sandy, Sharon and Jimmy Leverett and Judy White; Share-the-Fun, Boyce Cox, Darlene Whitson, Bobby Hunt, Kenneth Spitzer, Tommy Letz, and Linda Gholson. "The Grain Ole Opera."

The 4-Hers have been working hard on their demonstrations with the help of Mrs. Baldree, and Mrs. Pierce, and Mr. Hennig. Mrs. Leverett has helped on the vegetable demonstration.

It was reported that a local resident was coming home from Sunday school and collided with the train as it was crossing a road in the country. The only one reported was a son, Jimmy, in the first grade. His head was thrown through the windshield up to his neck. His face was badly cut.

Helen Diers, a student at Concordia in Austin, visited her parents over the Easter holidays. She is a Freshman at Concordia and is majoring in speech therapy.

is the only man in race who has never held any office before and is not connected with any of Austin or Washington political machines. He is with a sound judgment, a self-made man, son of a share cropper farmer, good trial lawyer. He worked his way through college, served three years in U. S. Marines in Europe and Pacific Zones; good moral character. He has the vision of youth and his program to help being industries to Texas to provide jobs and for better educational and college opportunity for our youth and for better old age assistance. Since Texas treasury is in the red for 90 million a change won't hurt. Let's try Yarbrough.

Respectfully,
Coal Lottel
